Dear Kevin Collier,

Your CBP FOIA request is complete. Please use the following password to open your documents:
rock050886

Your documents will be sent in a separate email.

We noticed that you do not have a FOIAonline account. When submitting future requests, please create one by taking the following steps:

- Simply go to your search engine (i.e., google, etc.) and type FOIAonline, then hit enter, that will take you to the FOIAonline site.
- From there, press the green button on the right "Create an Account" and follow the prompts to create a FOIAonline account.
- Make sure when creating your account you use the same email address that you provided when submitting your original FOIA request –that way the email addresses in your original FOIA request can be synched with the FOIAonline account you create.

Submitting a FOIA request online is the preferred method (vs. postal mail) for many reasons:

- You immediately receive a unique FOIA tracking number and acknowledgment that your FOIA request was received by CBP.
- You can track your FOIA request any day/any time through your FOIAonline account.
- When responsive records become available, you receive an email letting you know records can be viewed via your FOIAonline account,
- You can view all of your historical FOIA requests via the "dashboard" in your FOIAonline account.

In the future, please use your FOIAonline account to submit future FOIA requests to CBP. Please note that all FOIA requests for official travel records on an individual must include 1) the subject's name, 2) the subject's date of birth, and 3) third party consent. If this information is not provided with the original FOIA request, it will be considered "insufficient", and will not be processed.

Sincerely,

U.S. Customs and Border Protection
